SWORN DECLARATION

As an applicant for a Residence in the Argentine Republic, in full knowledge that the information I am providing is the will of the Administration, I swear under oath:

- 1) That I do not have a Police Record and/or penalties of national or international nature.
- 2) That I have not been expelled and I am not prohibited to re-enter the Argentine Republic or any other country.
- 3) That I have never been involved in activities that could endanger the national security or the public order and that, to my knowledge, I definitely do not have a record that could include me in the inabilities or suspensions foreseen by the Immigration Regulations, which I declare to know.
- 4) That I am not a political refugee in the Republic.
- 5) That I am aware and accept that the falsehood or reticence of this Declaration or the documents submitted, will result in the nullity and revocation of the residency that I will be granted and, eventually, the expulsion of the country, due to the fact that this Sworn Declaration is the evidence in support of my request before the Immigration Department.
